It's July—the kickoff of the summer season and the time to enjoy what San Antonio has to offer. This is the time for playing your favorite sport, visiting the outdoors, spending time with family and friends, or just kicking back and relaxing. All of these are reasons why the National Recreation and Park Association has designated July as Recreation and Parks Month. In recognition of Recreation and Parks Month, the San Antonio Parks and Recreation Department offers various recreational events throughout the month of July. These events are designed to bring recreation awareness and opportunities for everyone. Some activities include sports clinics, dance and music performances, swimming pool parties, and intergenerational programs for seniors and their grandchildren.
